Notes

According to the Vigo County, Indiana Census of 1850, Elizabeth is the daughter of John M. Balding and Lydia Ann Bane (sometimes spelled Bohn or Bowen). They were married April 27, 1828 in Vigo County, Indiana and all of the children were born there. Her siblings are:

Henry born February, 1828

Joseph born September 22, 1831 - died July 8, 1853 (Vigo County - Balding Cemetery)

Isaac born March 3, 1854

Lewis B. born January 7, 1841 - died June 29, 1884

Isaac married five times. With his third wife, Martha Talman he had three children; one being William Chester Balding, born October 12, 1872.

According to an article found in the newspaper; this is the William Balding who's family is buried in the Kennedy Cemetery. A son, Frankie had died in 1910. His second wife, Mary Elizabeth (Miller) Balding and three of thier children Thomas (10), Merion Celeste (8) and Walter (1) were murdered on March 15, 1915, while William was away working in Illinois. The murderer, Vernie Lewis, had brutally beaten the entire family (mother and 5 children) with a flat iron; however, two of the children, Clifford Arthur (12) and Irene (3), survived and lived to have families of their own.

From another article written at a later date and through interviews with descendants we learn the following: Clifford Arthur had 6 daughters and 3 sons and died in 1961; Irene, whose family details are unknown, died in 1973. A child from William's first marriage was named Robert, born in 1899. Fortunately, he was not at home at the time of the murders. William married a third and fourth time and had at least one more child, William, Jr. William Sr. died January 30, 1967. His fourth wife, Katherine (?) died but two months later. Both were laid to rest in the Kennedy Cemetery.

Another of the three children of Isaac is identified as Elizabeth who was married to Zebedee Harper. According to the newspaper article, the funerals for all of the victims of the murder were held from their home.

JOHN M. BALDING (father of Elizabeth) was born on September 14, 1806, in Tompkins County, New York and died in Vigo County, Indiana April 21, 1847. He is buried in the Balding Cemetery. Her mother LYDIA ANN was born about 1813. Little else is known of her except that after John's death she remarried to a William W. Helms on September 30, 1852 in Vigo County, Indiana. John M's parents are Jacob Balding (born June 28, 1772 in Tompkins County, New York; died March 5, 1845 in Vigo County, Indiana, buried in Sparks/Stevenson Cemetery) and Lydia (Unknown) born February 10, 1776; died May 25, 1826). Like John M. his siblings were all born in Tompkins County, New York. They are: Isaac (born December 10, 1793; died April 13, 1834 in Vigo County, Indiana, buried in Balding Cemetery); Martha (born August 20, 1795; married Peter Mentawney); Henry (born September 22, 1797; died in 1843) and Gelima (born September 14, 1799; married Elijah Bacon).

Vigo Probate records list William Balding as the guardian of minor children of John M. and Lydia. No indication as to his relationship, however information shows a gap in years between John and his sister Gelima and it is possible that William is another sibling of this family. Also there is a possibility that it is the aforementioned William Jr. who would be a cousin to John M.

JACOB BALDING (father of John M.) is the son of Joseph Balding and has one known sibling John Searing, born March 18, 1781; died September 22, 1845 in Vigo County, Indiana. John Searing married Achsah Hollister who was born December 6, 1782; died December 18, 1857. They are both buried in the Balding Cemetery. They had a son named Nathan who married a Lucinda (?). Both are buried in the Phillips Cemetery. Nathan's family is listed on the 1850 Census of Vigo County, Otter Creek Township as follows: Nathan (41), Lucinda (36), John (18), Clarinda(16), Jane(13), Achsah(11), Sarah(8) and Julia(4).

This Census also lists a William Balding(26) with his wife Lucy(26) and son Henry(10) living next door.

There is a Balding Family Website which takes this family even further back into the 1600's and displays pictures of the stones contained in the Balding Cemetery before they were destroyed.

Following is information as to location of the aforementioned cemeteries:

The Kennedy Cemetery is located north of the old Markle Mill on the Rosedale Road, just north of the Devonald Road which goes east to Burnett. It lies on a knoll on the west side and is easily accessible. Many stones are missing, however, currently there appears to be an effort to clear and restore this site. The Balding area is totally enclosed with a black wrought iron fence.

The Phillips Cemetery is located on the north side of Rosehill Road, just west of the Rosedale Road and almost directly in line with the Kennedy Cemetery.

The Balding Cemetery is located nearby. It is in a plowed field on the west side of Erickson Road, just south of the Rosehill Road. At the time of my visit I found it to be in very bad repair with the graves sunken and only parts of two stones left.

The Sparks or Stevenson Cemetery is also located nearby. It is north of the Rio Grande Road, on the east side of Erickson Road at the intersection of Evans. Unlike the Balding Cemetery which is located approximately one mile south, this cemetery has had very good care. Although some stones are apparently missing it is always mowed and is enclosed with a chain link fence.

Notes

Noah is first found in Vigo County, Indiana, Harrison Twp. on the 1850 Census taken in September. He is married, however no children are reported at this time. Apparently they moved from that area to be nearer to the widowed mother of Elizabeth, as they are found a second time on the 1850 Census; taken in October, of Otter Creek Twp. They are living next to her and the two youngest children.

The 1860 Census finds them in Nevins Twp., however by 1870 they are shown back in Otter Creek Twp. under the name of Grinell. Also, living in the household is a Lida Brooks, age 38, housekeeper. Ages shown for Noah on all of these reports along with other gathered data coincide with the 1830 and 1840 Ohio Censuses placing him with the Benjamin Grindle family.

All records found after 1870 indicate that the family continued to live in Otter Creek Township, near a small community in the north ~~west~~^{East} corner, named Heckland. This was a railroad station and post office. If still in existence; it would be located on Swope Road, north of Sandcut about one-half mile west of the Rosedale Road.

According to Elizabeth Ellen Bryant Murray (granddaughter) "Noah was called upon many times when the doctor was unavailable. It seems he knew how to put certain herbs together to heal the sick." This is in evidence as we review the diary kept by Noah in 1875. This document also reveals many insights into the daily lives of this family and it's neighbors, frequently referring to a Mother Brooks. Assume this to be the 1870 housekeeper or someone from her family.

Recently I wrote to the Vigo Co. Court house for a marriage certificate for my great-grandparents who I am trying to trace for my genealogy.

I was informed by them that you may have some information about them.

My great-grandmother, Mary Ann Clark was born in 1839 in Indiana. She married Henry Harrison Balding approx. 1860. Both of these names are listed in the 1850 census of Atter Creek, Vigo County.

I would appreciate any information which you may have on either of these individuals. I notice you have the same family name, possibly we are related. Your Truly

Dear Miss Sherrill:

Enclosed is the money for the copies I requested to send over the phone on June 18, 1985 concerning my great grandfather (my father's mother's father) Jasper Henry Balding born in 1858 in Terre Haute, Indiana. If there is any other information that you might have I also ask that you copy it. I have enclosed \$1 for such copies. I appreciate your cooperation and it is deeply appreciated. I have enclosed 2 copies of my information on my back ground on the Sherrills. My grandfather was Raleigh Russell Sherrill. My great grandfather was Beram Calvin Sherrill married to Marie Elizabeth Sipe. My great-great grandfather was Garrett Freeman Sherrill married to Mary Ann Dunlap.

As you can see I've had little
problem finding the Sherrills.
I hope that maybe this
information maybe of use
to you in some way.

Thank you again

Dear Mrs. (Miss) Merrill:

Several months ago I wrote you people a letter about some BALDING ancestors of ours and you kindly answered with much information from your county books (History of such) and Cemetery records. We appreciate all this information very much indeed.

You also mentioned a Mrs. Clark we might contact for further research on this line. She had previously written us, but we feel we cannot afford the price she is asking for her research. We are more than happy to pay for copies etc. but 10.00 dollars just to begin research we just can't put out. I know you people are very busy - my husband is also a County employee - Public Works., but if you could only look up these two dates for a birth of a boy BALDING in each case, in your Otter Creek township -(or County) newspapers of those two dates. I have been told such newspapers did exist..

Again, very briefly, I will tell you why we would so desperately like this, and more than likely with that data (Naming the parents) we could tie all the way back on the Balding family, without further help. As I stated before these two boy's mother burned to death when the younger - our ancestor was but an infant. He was adopted by the Lyon family - which you kindly told us more of - where the other son was cared for by Balding relatives. These two were not to meet again until much later in life in Calif. And it was only at this time that the younger was made aware he was adopted etc.

So would it be too hard to just look up these two dates (and about a week past in each case as newspapers were sometimes late putting notices in them in those days. We had a :

HENRY HARRISON BALDING born Oct. 27, 1837 - Otter Creek.

JOSEPH BALDING adopted by JACOB LYON born Dec. 16, 1841 Vigo Co. Ind.

So, if you could find a listing of a Balding man having sons on those dates, we would have the parents of the two - at least the father, and I am sure we could go far from there on. I am enclosing a check for a Dollar that would help pay for any time it might take you. Would be happy to pay several dollars more, but just can't afford that \$10.00 + that Mrs. Clark is asking. You would make many people out here very happy indeed if you could find this - as Joseph has many descendants in Calif. So. please, please, please! - and thank you so very much.

Sincerely,

Mrs Lloyd H Roberts

Dear Librarian:

We are tracing our ancestry and in doing so have a mystery which accured in your county in the 1840's, and we hope you might find some evidence in the newspapers of that time to help us. My husband's great-grandfather was Joseph Lyon, adopted son of Jacob and Elizabeth (Howard) Lyon. Now what the family has been told and what we would so much like to find more on is the story of why he was adopted by them and who his original parents were. We have evidence that his real last name was BALDING as later in life his real brother who had been raised by relatives rather than adopted was able to reunite with Joseph, and he stated he had the original family name.

Now the story is this other son, HENRY BALDING, was out in the fields with his parents, and Joseph was in the house because he was just a baby. The mother came in, stood by the fireplace to warm herself, and her cloths caught fire, and she burned to death. It is not clear on what happened to the father, but perhaps he also died trying to extinguish the fire. Any way Henry was older by 4 years ^{over} than Joseph, so he was cared ^{for} by friends and later raised by relatives, but Joseph was adopted as stated earlier, because he was a very small child.

Now we have Henry born ^{Oct 17} 1837 and Joseph on Dec. 16, 1851. Could you look that, last date up, for a birth announcement of a Balding baby? Please!!!! ^{Also Henry's} _{if you could find time.}

Further we have evidence of a HENRY BALDING born in 1797 in N.Y. but died in your county, probably Terra Haute in Sept 1843. Now this date of death sure fits the story of when this tragedy was suppose to have happened, so wondered if you would be so kind to look in the newspapers to see if there was such a story of a couple of this name who died from such a tragic thing in that month (Sept 1843) Or, if not a death notice of this man stating his family still remaining alive at that time.

I'd be very happy to send you money for any copying you might do. We would be so thrilled to finally unravel this mystery - this story has passed down each generation, but as far as I know no one has ever tried to find who the real parents were, and how nice it would be to know this, so we could trace their origin. Thankyou so much.

Sincerely,

Mrs Lloyd Roberts

In the History of Vigo and Parke Counties, Ind., by Beckwith, (Chic., Hill & Iddings, 1880), I found the following on page 500:

"The old Lafayette and Terre Haute wagon and pack-horse road, which was one of the first opened in western Indiana, passes through the township from north to south in a direct line. Along this road many of the early settlements were made. Indeed it may be said that what the railroad of today is in its attractiveness to settlement, this wagon-road was in its time. Among the first, and possibly the very first, settlers of the township, were the Baldings from New York, and Jacob and David Lyon from Ohio. These men opened farms in 1816, their location being in the center part of what is now Otter Creek township, but what was then Knox county, and a year later Sullivan."

In the History of Vigo County, by Bradbury, (Chicago, Nelson, 1891): page 166

"The Baldings, Isaac and Henry, and Jacob and David Lyon, from Ohio, settled in Otter Creek township in 1816, and Mr. Briggs had then settled in the southern part of the township..."

April 15, 1980

I checked our surname files, miscellaneous card file, the indexes to our Vigo county histories, early Vigo county marriage records, and early land entries from the Vigo county "Tract Book" but did not find the name Mintonye/Montanye listed. There was a Montagnier family in Terre Haute, and I thought for awhile that this might be a wild misspelling of your family name, but the Montagnier family was here in the late 1800's and early 1900's.

The only source which listed your Peter Mintonye was the 1820 census, which you have already seen. It's very difficult to locate people who just passed through and later settled somewhere else. You might try writing the Recorder's Office, Courthouse, Terre Haute, IN 47807. Perhaps there would be a record of your Peter buying or selling land.

In the Biographical Record and Portrait Album of Tippecanoe County I found a biographical sketch of a Baldwin Mintonye which gave his parents as Peter Mintonye and Martha Baldwin. I will enclose a copy in case you haven't seen it. This article gives the date of Baldwin's death. Perhaps you could locate an obituary which would give more information on his family. I assume you have already written to the Tippecanoe County Historical Association, Alameda McCullough Library, 909 South St, Lafayette IN 47901.

I see that you also know the date of Lydia's death. Since she died after 1900, you might be able to get a death certificate from the clerk of Douglas county, Tuscola IL 61953. A death certificate would have the date and place of her birth and the names and birthplaces of her parents, provided there was a survivor who knew that information.

Mintonye is an unusual name and I think it's probable that those in New York were related. The Peter who was in New York in 1790 might not have been your Peter's father. He could have been an uncle. I noticed that there were several other families listed in the index to the 1790 New York census.

It would be a good idea to check the early New York censuses for Mintonye families with sons Peter's age and also for families who might have had Baldwins living nearby. Once you know which counties to search, you can begin looking for other records.

Dear Nancy Sherrill -

I thank you and appreciate, very much, all the time you took to answer my inquiry on the Minton & and Balding families. I did as you suggested - compared counties & children (ages & sex) and have written to the Utica Public Lib., 303 Genesee St., Utica, N.Y. 13501 - a reference of N.Y. S.A.. Also wrote to the Terre Haute Recorder's Office - just in case! Did I tell you he bought (Peter) 80 acres in Tippecanoe Co. in 1828?

I have only been researching the family for several months and I am impressed by your helpfulness to a complete stranger. Thanks again

Dear Mrs. Roberts:

I am enclosing all the information I could find. The 1840 Census lists only the names of heads of households, and included no Baldings. (Otter Creek Twp. was the only one checked.) The 1820 Census of Indiana lists a Joseph Balding as living in Knox County. He was a farmer and his household consisted of 2 boys under 10 and 2 10-15 years of age; 2 girls under 10, and I assume his wife, listed as 26-44 yrs of age. He was listed as 45 or over. Vigo County was formed in 1818 from Knox County, so this could be your Joseph senior.

We checked the local newspapers, but found no mention of births included in their announcements. At any rate, the newspapers for the dates are not there. In the early papers, many are missing.

Subject: Phillips and Balding Families of your area

Dear Mrs. Clark,

In response to a recent ad for information on the Phillips and Balding families, I received a postcard from someone who said you may be of some help to me; that you had done extensive research on the Balding family. I don't even know who to write and thank because there was no return address. I hope their information is correct and that I am not going to bore you with miscellaneous and sundry information you know nothing about! (smile)

My husband was born John Dudley Phillips, however his parents were divorced when he was about 4 yrs old and he eventually took his step-father's name of Alexander.

It always bothered me that our children did not have their "real" last name so the name Phillips was included in theirs, i.e. our eldest child was named James Dudley Phillips Alexander. Because we moved to California, we've had the good fortune of getting to know my husband's Aunts and Uncle who also live fairly close by and I've gradually been able to compile the little bit I know of his heritage for our children.

On some enclosed ancestor charts, I've pencilled in the lineage of our children as I believe it to be at this point. This information has not been accurately checked as yet, but simply a start (I hope) in the right direction. If any of this fits with what you know of the Phillips and Balding families as you know it, I'd so appreciate hearing from you.

My own mother died when I was just past a year old so I knew nothing whatsoever of her family and felt a great need to find out what I could. The same rather held true for my husband's family. (smile) It's always seemed so strange for us to have been married and have children, but to know so relatively little about our respective families. The death on my side, and the divorce on his side, I guess were simply things no one ever wanted to discuss. In this age (especially, it seems to me, here in California) where divorce and remarriage are so common, I can't imagine that anyone would now object to us both finding out a little bit about our families so our children can have this information. Thus, my interest in genealogy. Initially my interest was in history (my goal is to return to college and get a Master's in history) but at this point in life, I'm trying to survive in my mid-life career as a Real Estate agent! With the over-inflated prices of California homes and the high interest rates, that is a challenge! (smile)

I'm enclosing a check for \$10.00 to your Vigo County Historical Society in hopes this small donation will be of some help to you - and to me - smile! I am a member of the local Livermore Historical Society and know every little bit helps.

As the local historian in Vigo County, I know you must be terribly busy so I shall try and be patient and realize you may have many other more important things to do than to write me.

As an aside, my mother's family was also a part of early Indiana, and your general vicinity. They arrived in or near your area in about 1818 from Tennessee. One William Pugh is said to have started the first Christian Church in Sullivan and Warren Indiana. Would so love to visit your state and have the time and money to really dig into your records! Maybe one day, if this darn "career" of mine ever gets off the ground.

Thank you so much for your time!

Kindest regards,

Carrie Alexander

I forgot to mention I have a picture on my family room wall of Julia Emily Seely & James Phillips & their family if you are interested! (41) Only 6 of the 7 children shown identified.

Dear Mrs. Clark:

For several years I have been searching for the parents of Martha BALDING, b.31/Aug/1795 NY (County ?), d.9/Sept/1875 Tippecanoe Co., IN, buried Mintonye Union Cem.. Martha married Peter Mintonye ca 1818 but do not know where - NY or IN? Recently, Mrs. Elizabeth Gross informed me her father was probably Jacob Balding and that you might be able to give me more information on the Balding family.

About two years ago I wrote to Vigo County after seeing the 1820 Census with Peter Mintonye's name. At that time they could not find a marriage or land record. PM acquired land in Tipp. Co. in 1828. I have traced the Mintonye (DeLa Montaigne) to 1637 in Harlem, NY and earlier in Holland and France.

A great aunt in 1937 wrote ^{about}, a Gen. Miles of Revolutionary War fame from Long Island, NY ~~was~~ part of the family but did not say whether it was Balding or Mintonye. Have you heard of him or the name?

Peter and Martha Balding Mintonye had four children. Lydia Ann b. 1820, Balding b. 1828, Martha b. 1836 and William Denny b. 1830. Lydia Ann m. 1. Jesse Tullis, m2. Charles Smith in Baldinsville, IL.. Have you heard of it? **No**

I have trouble getting information from Illinois. I belong to the Douglas Co. Hist. Soc. and they are very nice and try to help but the most help comes from court houses, libraries, etc...IRAD never finds anything; even when I send them all the information. It's discouraging when you live so far away. I made one trip with my husband and son two years ago but they became restless and a friend died at home so we cut our trip short. I did find marriage and death records within minutes when requesting them in person. From letters (sent) the same requests could not be found.

No. I apologize for rambling on but finding someone who might have a few answers is very exciting ! Will you be attending the NGS Conference in Indianapolis? I have reservations and plan to be there May 13-14-15; leaving the 16th for LaFayette, Danville, Tuscola and back to Indianapolis with a stop at Sparks Cem. #16 if Jacob Balding is my gggg grandfather.

I will gladly pay for zeroxing and postage.

SASE

Dear Mrs. Alexander:

Thank you for your letter of April 10. I am returning the enclosure concerning your new career (congrats!) and the check for \$10 made out to the Vigo Co. Hist. Soc... I am not active in that organization at the present time due to loss of confidence in present leadership... I had been secretary for more years than I care to count, on the board of directors and museum curator, before taking up the newspaper profession. I've written the Sunday historical column for over 25 years; the Genealogy column; and teach genealogy at Indiana State University; as well as taking on select clients as a professional genealogist.

Your charts indicate we have the same Hollister line... mine goes back to John Hollister I, the emigrant ancestor, who was born in 1612 in England. I have some info in my files on the Balding family... also had done work on that line for another descendant.

I charge \$5.00 per hour for research of this type, and will copy the info I already have, plus look up any other info in local sources. I believe this related line has been done for DAR eligibility, so will pursue that also. The amount of your check will tell me how much time you wish spent on the research.

Sincerely,

Dorothy J. Clark (Mrs. Robert I.)

Dear Mrs. Clark,

Your kind letter was received today and I'm so pleased to have "discovered" you! Smile! Your illustrious career in history and genealogy is a pleasure to read about. I'm envious!! I was married at 18 and didn't attend college until I was in my 30's and by that time my history major was not worth too much unfortunately. Financially that is, it is certainly worth a great deal to me personally. My dream is still to return for my masters in history.

Dorothy, I was simply going to rewrite my ten dollar check to you personally, but I'm sure that's probably not enough, so will enclose \$20.00. Your hourly rate is certainly very reasonable, it's simply that our budget won't stretch any farther than that amount at this time. My Real Estate Career is a very costly venture in these times of high interest rates and over-priced homes. I have several houses listed for sale simply sitting there without buyers, yet I must put out a great deal of money for advertising, etc. I'm not complaining, just explaining! Smile.

It seems to me I had better give you some idea of the information I do have. My husband's family sent me some notes they had collected on the Baldings, Hollisters and Phillips, I think I'll type up a rough list of the information I have.

The story in the Phillips Family is that my husband, John Dudley Phillips, now Alexander was named Dudley because his grandfather, Dr. Chas A. Phillips, had traced the Phillips name back to England and the "estate of Dudley" - ? the "Earl of Dudley" - am sure you know how these things may get turned around. Anyway, my husband, and we call him Dudley, was his eldest grandchild from his grandfather's second marriage and all of his Aunts have confirmed this story, however none of them know whatever happened to this Phillips family genealogy that was collected. None of them are inclined to be letter writers or history buffs so after their parents died these things could have well simply been thrown away. My husband's Aunt Elizabeth has some information, but it has been put away for years and she's moved a great deal too, so I am lucky to have the small bits of information she has been able to find for me.

Not knowing how far my meager twenty dollars will go, I think I would appreciate your concentrating on the Phillips and the Baldings. Don't misunderstand me, please, I'll be delighted to know about the Hollister line and can't believe my good fortune in finding you and finding out you too are a Hollister descendant, but I must try and stay within my means at this point.

Hope I haven't rambled on too incoherently. Thank you so much for answering my letter so promptly and for doing this research on my behalf.

Kindest regards,

 Carrie Alexander

Dear Mrs. Alexander:

Thank you for your letter of April 22 and the enclosed check in the amount of \$20.00(four hours research). The Dudley in the family name is explained by the enclosed Xerox pages from Oakey's book. Incidentally, there are a total of five Vigo County histories...all must be used to get a complete picture of the families involved. I've indexed all five of them, so I'm very familiar with them!

There is no reference p.375 Bradsby for James N. Phillips m. Julia Balding. Oakey, Vol.II,p.739 lists Thomas W. Royse m.12 May 1870 Sarah L. Balding, dau Nathan & Lucinda (Yoho) Balding. Sarah was b. 29 Oct.1841, Richland Co.Ohio; her parents were listed as born Ohio Co.,Va.,reared in Monroe Co.,Ohio. Thomas & Sarah had 3 chil, Martha, Mary & Samuel, all died young.

Oakey, Vol.II, p.687 lists James H. Evans m.1875 Clara Phillips b. 16 Nov 1854, Otter Creek Twp., Vigo Co., Ind., dau Aquilla & Matilda (Simmons) Phillips who were m. Md., he was slaveholder and Democrat. James and Clara had 7 chil. NOTICE: names of Aquilla's wife(wives) was Matilda Simmons and/or Matilda Dudley. One account(Xerox) gives one; this gives the other? Would believe Dudley is correct?

Oakey, Vol. I p. 83 lists Jacob Balding as petit juror 1819;
p. 211 lists Wm. Balding as pork merchant 1866.

The Vigo County Cemetery tombstone inscriptions lists:

I don't know what else I can find for you here. I would suggest you send for the Civil War record and possible pension records for J.N. Phillips and/or widow...they would give much information.

Have you done the census records for each couple? That should be done before going further. They are in most libraries now and very available.

I always look for possible newspaper obits for each person in a line. You can write to the Vigo County Public Library here in Terre Haute and they will do that for you. Just list the names and death dates. Those who died other places can be researched in the newspapers of the place of death.

I've used the four hours time allotted by your fee, but will put the file in the active hold and inform you if I can find anything further.

Hang in there with the real estate business...it seems to be slow everyplace. We see so many signs in front of properties, and wonder WHERE the people go...some into senior citizen apartments and condos...and we have so many of those here.

All best wishes,

Dear Mrs. Clark,

It was such a pleasure to hear from you again and to receive the information on the Phillips Family!!! Thank you so much. I will certainly take your advice and go through census records when I am able to take time to go to the Archives. One cannot get census records on inter-library loan anymore owing to cutbacks on the National level.

You suggested that I write the Vigo County Library in Terre Haute to obtain copies of obituaries and I will do so, at some point, but I don't have the address and would very much appreciate it, if you would forward it to me.

In an earlier letter you mentioned that my husband's charts go back on the same Hollister line as your own and also that you had information in your files on the Balding family as you had previously done research on that line for someone else. Would you please advise me as to what you would charge for forwarding this additional information. Oh, and would it be possible to have the name and address of the other person researching the Balding line? To date, I know of no one else even interested in this line, and perhaps we would be of help to each other at some future time. With a 17 and 19 year old still at home and attempting to work (smile) I am definitely an "armchair researcher" at this time in my life.

Thank you again for your help, you are appreciated!

Kindest regards,

Carrie Alexander

Hello,

Unfortunately Indiana did not keep death records until 1882, so there is no death record for Achsah Balding. I tried checking the various Terre Haute newspapers (Express, Gazette, and Daily Journal) around the time of her death but did not find a death notice. I was hoping for something that said "died at the home of her son, etc." but 19th century newspapers printed very few obituaries. I tried to find death records for John Balding and Sarah Lucetta Balding Carder, but they are not listed in the WPA Index to Death Records, 1882--1920, Vigo County. I also checked the Heritage Quest Indiana Vital Records: Deaths CD, which has similar indexes for 67 of Indiana's 92 counties, but still did not find them. Perhaps they did not die in Indiana. If you know where they did die, it might be helpful to get copies of the death certificates as those were supposed to list the parents of the deceased, provided there was a survivor who knew that information.

I did find the 1843 marriage of John and Sarah Balding. (Apparently Sarah's maiden name was Balding also.) The marriage records prior to 1882 did not name the parents of the bride and groom so it will does not prove whether Achsah was John's mother. I thought Sarah Lucetta might have married about 1882, but I was unable to find her marriage in the WPA index to Vigo County marriage records from 1882 to 1920 or on the Heritage Quest Indiana Vital Records: Marriage CD. If you know where Sarah Lucetta married, you should try getting a copy of the record.

I found John and Sarah Balding with their children Mary and William on page 115 of the 1850 census of Otter Creek Township, Vigo County. Also listed on page 115 was the Nathan Balding family. He had an 18 year old son John and an 11 year old Achsah. Circumstantial evidence indicates that Nathan might have been the brother of your John and that the older Achsah might have been their mother. Apparently John did not remain in Indiana as I found him and Sarah on the 1860 census of Ellison Township, Warren County IL. They had a son Levi in addition to Mary and William. I couldn't find the family on the 1870 census but was surprised to discover them in Spring Township, Butler County KS, in 1880. Lucetta was with the family on that census and was not yet married. I suspect that she married in Kansas and might have died there. I didn't find the older Achsah Balding on the 1850, 1860, and 1870 Vigo County censuses and wonder if she actually came to this area.

I hope you will be able to locate some death and marriage records in Kansas that will help solve your problem.

Hello,

I'm Tom Parson from Corinth, MS., and I would like to know if someone on your staff or a volunteer conducts genealogy research? I love to conduct research (it is a daily part of my own job) but I am unable to come to the library to conduct the work myself.

What I am looking for is positive proof that Achsah Hollister Balding (b.

May 29, 1786, ~~died Dec. 18, 1875~~ in Vigo County) was the mother of John P.

*not in death

With this proof in hand I will be accepted into the Mayflower Society.

Many thanks for your assistance.
